

## Our Vision

We want to make our school better. We aim to do this by representing the voices of all the people in our school. We want to make sure that every person feels welcome and looked after both in school and in our wider community.

### We promise to:

- Talk about the issues brought to us by our classes
- Make everyone feel safe and happy
- Help people to become better learners
- Help to look after and protect our school
- Help to raise money to support charities and our community.
